

SM3 Meeting Minutes highlights: 6/23/14, 11:00 – 12:00 PT

Attendees:

Daniel Manchala (Xerox)
Norbert Schade (Conexant)
Paul Tykodi (TCS)
William Wagner (TIC)
Rick Yardumian (Canon)

- Will try to set up JDFMAP meetings from 7/7 7:30 AM PT to allow Rainer's ask to start 3 weeks from the last SM meeting.
- No word from contacts regarding the 3D mini – BOF in Toronto – whether they will participate in it or not.
- Daniel to post a revised version of the SM3 schema on the ftp site (done).
- Paul Tykodi to create an SM3 web page for pwg.org. This page will point to the current mfd web page as past work.
- Bill Wagner to convert the past meeting minutes to PDF and post them on the SM3 page once the SM3 page is on line. (Minutes are stored in <ftp://ftp.pwg.org/pub/pwg/sm3/minutes/> subdirectory.)
