February 16, 2005

Craig Whittle - PWG WIMS/CIM Co-chair

Meeting was called to order at approximately 2 p.m. EDT February 16, 2006 by Bill Wagner.

Attendees

Bill Wagner	TIC
Ira McDonald	High North
Rick Landau	Dell
Craig Whittle	Sharp
Harry	IBM

General Discussion

- Minutes from the February 9th teleconference were accepted.
- Rick reassured the group the John Crandall would be responding to Ira's e-mail question.
- Each file name (class) must be listed separately in the CR header. The first being file is CIM_Printer.mof
- Changes to the CR header and introductory text were reviewed.
- Paul and Ira suggested tools for context highlighting of MOF files.

Next Steps / Open Actions:

- Craig to continue editing work and submit a draft CR for next week's teleconference.
- Next teleconference is scheduled for 2/23/06.
