

ISTO Printer Working Group

*Tokyo, Japan
April 2005*

A decorative graphic at the bottom of the slide. It features a horizontal band with a wavy, orange-to-yellow gradient. Overlaid on this band is a series of binary digits (0s and 1s) in a light gray color. To the right of the band, there are several overlapping circles in shades of orange and gray, some of which are partially cut off by the edge of the slide.
