2. PWG Officer Elections

The current PWG Chair conducts a PWG Officer Election. If the PWG Chair is unavailable, then the PWG Vice-Chair conducts the PWG Officer Election. A PWG Officer Election normally occurs every odd year (e.g., 2021). It is started such that the newly elected Officer(s) can begin their term on December 1 of that year.

If a PWG Officer needs to step down from their role before the end of their term of office, the highest ranking PWG Officer performs an off-cycle PWG Officer Election for that office.

2.1 Election Procedure

The steps in a PWG Officer Election are:

Week 0 - Nominations
The PWG Officer conducting the election sends a request for nominations for candidates to the pwg-announce@pwg.org reflector, with instructions for how to submit a nomination.

Week 5 - Voting
The PWG Officer conducting the election announces candidates to the pwg-announce@pwg.org reflector. PWG Voting Members can vote for their preferred candidates for each role up for election.

Week 9 - Votes Tallied
Voting ends and the PWG Officer conducting the election tallies the votes. Each candidate receiving a simple majority of the votes cast for a given office wins the election for that office.

Week 10 - Election Approved
The PWG Steering Committee approves the execution of the election procedure. Upon approval, the PWG Officer conducting the election announces the election results to the pwg-announce@pwg.org reflector. If the PWG Steering Committee does not approve the execution of the election procedure, then the election procedure is restarted from the beginning.

Week 14 - New Term Begins
Newly elected PWG Officers begin their new term of office 30 days after the election results are announced.

2.2 Nominations

If only one person is nominated for a given PWG Officer position, the nominee is elected to that position without a vote.

If there is no nominee for an open PWG Officer position, the PWG Steering Committee appoints a person to temporarily hold the office and begins soliciting new nominees for that office.
